The SIU 2nd Annual Women’s Leadership Conference (WLC) is scheduled for Friday, September 18, 2015 in the Southern Illinois University Student Center. The conference is open registration for undergraduate students and high school seniors focusing on developing future women leaders in our society. The high school invitations give the students an opportunity to visit SIU and gain insight on university programming and could serve as a possible recruitment tool for those that attend. Target populations include students in science, technology, engineering, and mathematic (STEM), business, and agriculture fields, however all students are welcome to attend.

**About the Conference**
The conference will provide undergraduate students a chance to interact with peers and mentors, form professional networks, prepare for careers, reflect on their educational paths, develop leadership skills, and experience the diversity of women in leadership roles.

**Conference Format**
The WLC includes breakout sessions, RSO fair, and a keynote speaker. The keynote is Laurie Landgraf, a Senior Counsel for The Boeing Company.

**Attire**
The conference is a business casual event.

**Registered Student Organization Fair**
The Registered Student Organization fair will take place after the closing session of the conference, from 3:15-5:00pm in the Corker Lounge.

If your RSO is interested in setting up a table during the RSO fair at the WLC Conference please submit a typed form indicating:

- RSO’s title
- Primary contact person for the event
- Officer information
- RSO meeting times/dates
- Electrical outlet/table needs
- Brief paragraph indicating your interest in setting up a table at the conference and how your club will benefit from the experience.

RSO table submissions should be typed and submitted to Kelby Rogers at rogers.kelby@siu.edu by 11:59pm on September 11, 2015.
